AGENCY: The Presidio Trust.

ACTION: Amendment of initial Notice of Intent to conduct public scoping and prepare a Supplemental Environmental Impact Statement and extension of scoping period.

SUMMARY: The Presidio Trust (Trust) is amending its Notice of Intent published on June 30, 2000 (65 FR 40707) to add a third public scoping meeting and make factual corrections. The Trust is also extending the previously announced scoping period from November 15, 2000 to December 8, 2000 to provide additional time for the public to make views known regarding the Presidio Trust Implementation Plan (PTIP) Environmental Impact Statement (EIS). The PTIP EIS is a supplement to the 1994 Final General Management Plan Amendment (GMPA) EIS for the Presidio.

The first public workshop on July 12, 2000 addressed scoping issues and solicited public comment regarding the range of issues, alternatives, and specific impacts to be evaluated in the Supplemental EIS. A second workshop, not originally planned but widely announced through a variety of media and held on September 13, 2000, solicited comments on financial planning concepts that will help shape the alternatives to be evaluated in the EIS. A third workshop, previously planned for October 11, 2000 and now rescheduled for November 15, 2000 will present conceptual alternatives to be addressed in the EIS and visions for the Presidio's future. The extension of the scoping period until December 8, 2000 will enable the public to review and comment on the
